REDBANK WINERY COLLECTION

The Robb family has its roots deep in the Pyrenees soil. With Neill's father establishing the first Pyrenees winery in the early 1960s, Neill shares a unique, passionate and life-long connection with the region. Now his daughter Sasha, a third-generation Pyrenees winemaker, continues the tradition by his side. The vineyards surrounding the winery produce only small crops. But these impressive, non-irrigated vines are cared for individually, hand-picked and hand-pressed, producing wines of wonderful complexity and depth.
